

Design&Decor

Hotel by the Red Canal hotel sports a modern design with a touch of the traditional theme.

The staircase, a small but exclusive lobby and beautiful tables enhance the appearance of the home.

Interiors belong to the simplistic school of design, but they exude elegance along with liberal iota of luxury.

To be candid, the architecture is inspired by the colonial times as the hotel also includes a wonderful bar lounge.

Business Objectives

Hotel by the Red Canal hotel operates on the philosophy that guest must never leave the hotel unhappy and implements the same while delivering hospitality on a platter. The foremost business objective of the company is not to let the guests miss their homes. Driven by a commitment towards excellence, our staff is ever attentive to the needs of the guests.

Leveraging our experience and skill, we focus on rising to the highest echelons of the hospitality industry. Our team is persistent in its endeavor to not only meet but also exceed the expectations of the guests. Right from serving the dishes to the guests and up keeping the rooms, our response time is better than the best.

We always focus on striking rapport with the guests and treat them as a member of a giant family. You can visit Hotel by the Red Canal and relish the hospitality of the small but an excellent Spa Resort hote. It is, in fact, a one stop solution for the travelers as they are pampered like royalty an arrival.

Sustainability

Eco-friendly timber is heavily used in the construction of the hotel. It is recyclable material that is extremely beneficial to the environment. Moreover, keeping in line with the modern business, the property also offers a business center to the managers and the executives. They can connect to the world while staying at the hotel.

Charity and activities

Hotel by the Red Canal hotel is not only a business enterprise but also discharges its duty towards the society and community. The authorities regularly participate in planting trees, helping hands to the community and cleaning up trash in tourist attractions in the vicinity to keep the environment green.

Traditions Values

Hotel by the Red Canal hotel is an offshoot of the ancient Myanmar culture as it offers hospitality services to the clients from across the globe.
